

WHY PARAGON PAYMENT SOLUTIONS?

Seamlessly Accept and Manage Payment Cards & eChecks Through ChildPilot Software

OPERATE MOST EFFICIENTLY

Save time and money by processing payments directly through ChildPilot. Streamline operations, gain financial visibility, simplify reconciliation and simplify accounts receivable with everything in a single application.

SIMPLICITY MEETS

With an easy-to-navigate online application, same-day set-up, no application fees and next day funding for those who qualify, Paragon takes the pain out of switching processing providers.

AUTOMATE FAMILY BILLING

Automate family billing or securely bill accounts on file for tuition, registrations, meal plans, aftercare and more. Receive automatic updates when cards expire or are reissued, ensuring you never miss a payment.

SAVE MONEY

With easy -to-understand, flat rate pricing backed by a meet-or-beat rate promise, reduce your operating expense and never wonder what you'll pay for payment acceptance.

NO PCI PROGRAM FEES

Unlike other payments companies, Paragon believes in choice and flexibility. Our Opt-In compliance programs mean no forced program fees or non-enrollment penalties.

NEVER PAY GATEWAY FEES

Because Paragon is a full-service provider, never pay a gateway fee or middleman markups. Plus, when it comes to customer service, there's never any finger pointing with first call resolution our service standard!
